VMS Specialty Hospital: A Beacon of Hope for Children in Kashmir

A Joint Initiative of JK Hope & Health
Foundation & Voluntary Medicare Society

Building a Regional Center of Excellence
in Pediatric Cardiac Care

The Critical Need: Closing the Gap in Jammu & Kashmir

- ▶ Congenital Heart Disease (CHD) is a leading birth defect.
- ▶ About 2000 children are born with CHD every year.
- ▶ J&K has a significant unmet need.
- ▶ Families face immense hardship: travel costs, long waiting lists, and emotional toll for treatment in distant cities like Delhi or Chandigarh
- ▶ Our Promise: To end this exodus. To bring world-class care home.

VMS- Specialty Hospital

Legal partnership with Voluntary Medicare Society” (35 bedded) **non-profit** hospital infrastructure at Bemina (Srinagar).

Aim: To fill a gap in present healthcare.

Services to be Provided: (Not available in J&K)

- ✓ State of Art Children’s Cardiac Care.
- ✓ Emergency Peds Cardiac services (including life-threatening conditions).
- ✓ Interventional Peds Cardiology services .
- ✓ Diagnostic Cardiology Services .

Impact: Infant Mortality Rate (IMR) ; 17-6/1000 live births.

At present : these services are provided through Kid’s Heart Surgery Program
